

3. Vietnam Lullaby *Lie Down, Sleep*

Lie down, sleep, lie down lie down.
Will go to mountain rice field
And come back; Go to paddy also
Lie down, sleep;
Steamed rice already cooked
Go to mountain rice field
Steamed chicken already cooked
Go to paddy, so go to sleep.
Sleep soundly

If we don't sleep soundly
We eat sweets. Sleep soundly.

Sleepers are spread All over the floor.

And talk for pleasure

Sometimes when one of us
Cannot sleep, she gets up
And begins to create.

A beautiful chant.

4. China Lullaby *Purple Straight-Grown Bamboo Shoot*

The family is the foundation of Chinese life. The child as the future of the family is displayed in an ancient ritual which is referred to in the "Purple Bamboo".

On a child's first birthday gifts are placed within his/her reach. Which gift is chosen first is thought to indicate the child's profession in later life. Flute = a musician; pen = a writer; brush = a painter; scissors = a tailor etc. This lullaby is from the region of the Chinese capital, Beijing, where the 2008 Olympics will be held. The lyrics are in the Mandarin language

I-ken tzu chu chih miaor-miao
